

PMCT Confidentiality Agreement – Accreditation Survey Team Members

I acknowledge that all confidential information to which I gain access as a result of my work as part of the Postgraduate Medical Education Council of Tasmania (PMCT) survey team or as a member of the PMCT Accreditation Committee, including information provided by the health service, documents relating to any previous survey visit and any report I author or co-author in this capacity is confidential and will be used for the sole purpose of fulfilling my role in the PMCT accreditation process.

The terms of the agreement are:

1. I will not disclose any information either directly or indirectly, the contents of any survey team reports, associated material or data without prior written authorisation from PMCT;
2. I will take all reasonable steps to ensure that any unauthorised person does not have an opportunity to inspect or otherwise have access to the confidential information. (For the purposes of the agreement, "unauthorised person" means any person other than those persons permitted by PMCT to have access to the information).
